

QUOTE OF THE DAY

Black consciousness is in essence the realization by the black man of the need to rally together with his brothers around the cause of their oppressions. That is the quote of the day it was said by Steve Biko. What I got out of this is we rally together when we are “woke”. This tells me for us to come together as a community we need to be conscious.

TOPIC OF THE DAY

Understanding race and the effects of this social construct. What this topic means to me is The Media always justifies everything for White People when something is done bad. For black people when something is done bad its always there thugs or there evil.

[Social constructionism](#)

- 1.Race-a grouping of humans based on shared physical quantities or social qualities into categories.
- 2.Power-the ability to do something or act in a way, especially as a faculty quality
- 3.prejudice-preconceived opinion that is not based on reason on actual experience.
- 4.Racism-prejudice, discrimination or, antagonism deducted against someone of a different race based on the belief that one's own race is superior
- 5.discrimination-the unjust or prejudicial treatment of different category of people or things, especially for race, age or sex
